### Preferred Sample Submission:

Minimum of 2 or more wing feathers (typically secondary) per bird. Freshly pulled.  
Smaller feathers (i.e chest feathers) are acceptable, but we will need 8 or more per bird. Keep in mind that the smaller feathers are also much more time consuming and difficult to extract, so there may be a slight delay in the result timeline.

Place a check mark in the desired test columns for each sample.

Test results are typically ready within 3-5 business days after the day of receipt. Results will be reported the day of completion by e-mail.

**RUSH** 1-2 day RUSH option is available (weekends are not included in timeline). Cost is \$10 extra per test. Check the "RUSH" box next to each sample that you would like to have rushed. If there is more than one test requested for that sample, indicate in the notes section if all tests should be rushed for that sample, or only some should be rushed.

\*\*All tests are performed by Gene Check, Inc using naturally occurring DNA sequences\*\*
